All of us at Career Angels have **relevant, extensive Recruitment / Executive Search and / or Talent Management experience**. Almost all of us have additional studies or training in psychology and / or coaching.

Does that describe you? **Join us!**

Send us your CV in **English** to Maria.Bozek@CareerAngels.eu and add "I agree that my personal data will be processed by Career Angels / Troaching Institute Bichl Sandra in order to recruit for the position I am applying for."

Not sure yet if this is for you? Here is more: we are **fully digital** and hence **remote** which means that **you decide how many hours per week** you’d like to work, as long as it’s at least 10.

Our client projects range from 10-50 hours, though sometimes 100 to over 200. We pay **31.25 EUR / hour** once your training is completed (it’s doable in 3 months, but you set the pace!). In other words, 80 billable hours per month (that’s 20 hours / week) translate into 2 500 EUR. You enjoy selling? We pay **commissions of up to 17.5%** depending on the size of the project.

Can’t wait to meet you!

One of the best aspects: unsolicited, spontaneous, honest emails like the following

→ **Thank you for your help with finding a new job**. The recruitment process went pretty smoothly – everything I learned during the job interview simulation with you was helpful. I was really satisfied with your help in preparing my new CV and with the job interview simulation. Thank you once again and I wish you further successes! – **Sales & Marketing Director**

→ I was at a point of my career where **I was not sure about when, if and how to change my job**. Meeting with my **Career Angel helped me clarify that**. We prepared my CV, I sent it to a friend who had recommended me, I went to two interviews and got invited to the third one where I knew we would talk about money. The position seemed perfect, but salary was 50% of what I was then making. My Career Angel helped me **devise a negotiation strategy**. To make a long story short: the company matched my expectations, I am still there & up for a significant promotion! – **Finance Director**

→ I recommend Career Angels to anyone actively seeking a new job, especially if currently unemployed. **Highly task-oriented, their performance was consistently professional**, and although not cheap, the cost is insignificant relative to a potential salary. So if you are between jobs, don’t want to sail round the world but instead want to have a concentrated job-seeking blitz and can handle the “feedback”, I recommend you use them. – **CEO EMEA**

→ As strange as it may sound, I am glad to be sorry to cancel our session... because in the meantime **I got an offer which I accepted!** I will be responsible for international strategic projects. Actually, this also confirms what you mentioned regarding your experience. **I was happy to get in touch with you and I will recommend your services as I find them absolutely useful**. – **COO**
